FLIGHT and AIRCRAFT ENGINEER

July to December 1956

INDEX TO VOLUME 70

A

A.E.R.A., Paris conference on rockets and missiles, 998
A.I.S.A. AVD-12C (illus. desc.), 785
Académie des Sciences shown photographs taken from balloons, 984
Accessory developments at Farnborough, 397
ACCIDENTS:
Air France Viscount near Paris, 977
Aquila Airways Solent in Italy, 597
Avro Shackleton in Derbyshire, 916
B.O.A.C. Argonaut at Kano, findings, 234
Bell X-2 in California, 569
Britavia Hermes at Blackbushe, 801
Canadian Pacific DC-6B in the Aleutians, 501
Czech Il-12 in eastern Switzerland, 864
Fison-Airwork Hiller 360 near Cambridge, inquest report, 839
Folland Gnat prototype, 211
Grumman Tiger destroyed by own guns, 696
Jordan International Airways Curtiss Commando at Amman, 530
L.A.I. DC-6B at Orly, 864
L.A.V. Constellation in Venezuela, 912
Lockheed U-2 in Germany, 540
Martin SeaMaster over Delaware Bay, 775, 839
P.A.W.A. Stratocruiser in Atlantic, 692
R.A.F. Vulcan at London Airport, 568; statement in H.o.C., 694; public inquiry requested, 835
Scottish Airlines York at Stansted, findings, 458
Swissair Metropolitan at Shannon, 132
T.C.A. North Star in British Columbia, 977
T.W.A. Super Constellation, 8
Transport Command Valetta with M.P.s on board, 536
U.A.L. DC-7, 8
U.S.A.F. F-80 and B-47s, collision, 810
— Liftmaster in Atlantic, 632
U.S. Navy Mercator in China Sea, 333
Acoustic energy effects on transport aircraft studied, 657
Adams, Russell, to judge entries in Air-Britain photographic competition, 698
Admiralty appointments, 772
— promotion, 1008
Aer Lingus, assistant general manager at Imperial Airways reunion dinner (photo.), 530
— — -B.E.A. inter-company agreement, 424
— —, figures for 1955-56, 206
— —, figures for first half of 1956, 802
— — magazine discusses air transport problems, 233
— —, Manchester - Birmingham - Dublin weekend excursion fares, 530
— —, possible Yeadon - Bradford - Leeds - Dublin service, 596
— —, services to extend to Switzerland and Germany, 597
Aerfer-Ambrosini Sagittario II, details, 609
— — II, flight-testing, 991
— Sagittario (photo.), 74
Aerial survey (illus. article), 496
— — of Malaya by Canadian Government, 984
Aero Commander for Comptoir de l'Industrie Cotonnire (photo. of company's pilots), 596
— — 560A with DC-7C (photo.), 224
— Model 680 Super Commander (details and photo.), 224
— Research, Ltd., contribution to Herald, 281
— — —, data available on honeycomb cores, 798
— — —, telephone number changed, 232
— Ypenburg, helicopter operations and trials, 215
Aerocar on test flight (photo.), 636
Aerocontacts, Ltd., Scoba engine porter (details and photo.), 656
Aerodrome Owners' Assoc. annual conference (illus. report), 593
— — — — —, helicopter economies discussed (details and graph), 627
Aeroflot-Afghan agreement, 802
— chairman to visit London, 280
— —-Pan American charter contract for Olympic Games, 739
— — — ticket agreement, 501
—, reduced fares on internal routes, 739
—, third Tu-104 service opened, 596
—, Tu-104 for Moscow-Prague service, 628
— — second scheduled domestic service announced, 565
— — service on eastern routes, 132
— — services reported, 659
Aeronautical Bookshelf, The, reviews, 969
— salesmanship (Leader), 465
— terms (Leader), 663
Aeroservices Engineering, Ltd., Formation of, 592
Afghan Aryana, Pan American aid for, 657
Afghanistan-Aeroflot agreement, 802
—, U.S. aid for reported, 657
Agricultural Aviation Show (illus. report), 816
Agusta A.Z.-8, Report on, 71
Air Atlas DC-4 (photo.), 621
— — Work of (illus. article), 621
Air attack on Egypt (Leader), 741
Air BP, quarterly journal announced, 338
Air-Britain, meeting, 872
— — photographic competition, 698
— Ceylon, Colombo-Peking-Shanghai service and further expansion proposed, 659
— —, main civil airport proposed at Katunayake, 132
— Charter, Ltd., "Air Bridge" service to Rotterdam (illus. article), 614
— — — —-Atlas Air Services freight service inaugurated, 132
— — —, July cross-Channel flights expected, 206
— — Supertrader transatlantic flight, 530
— component possible for U.N. force in Egypt, 806
— Estimates reduced, 2
— Force Assoc. Jet Age Conference, airport development discussed, 658
— Forces, development and relation with other Services (illus. article), 761
— -Fouga company formed, 540
— France Caravelle, Lear autopilots for, 565
— —, figures for 1955, 265
— —, freight handling unit at L.A.P., 170
— —, Lockheed L.1649A introduction, 459
— —, long-distance flights not to use Cairo airport, 530
— — Viscount accident near Paris, 977
— -India International, Bombay-Sydney Super Constellation service, 596
— — —, direct Australian service due to start, 265
— — —, London-Sydney wekly service planned, 206
— — —, maintenance base for L.A.P., 597
— — —, possible Boeing 707 order, 132; Indian Government approve order, 459; Seattle announcement, 501
— — — Sydney-London service inaugurated, 530
— Industries and Transport Assoc. of Canada, president elected, 778; a.g.m. and report, 791; (photo. of 1955-56 president), 791
— League of the British Empire, Customs campaign, Lunch to celebrate, 863
— — — — —, chairman's suggestion for more corporations, 102
— — — — —, — — for military air transport service, 690; H.o.C. discussion, 738
— — — — — luncheon, report, 633
— — — — —, R.34 memorial to be erected, 920
— — — — —, scholarship scheme submitted to M.T.C.A., 943
— Ministry, appointments, 689
— — Control and Reporting Examining Team for radar units, 740
— — Deputy Director of Medical Services appointed, 282
— — Director of Aircraft Engineering appointed, 836
— — — General of R.A.F. Medical Services appointed, 282
— — — of Equipment (C) appointed, 237
— — Directorate General of Works, Committee to review, 945
— — Scientific Adviser appointed (details and photo.), 272
— Navigation Development Board, Cossor radar order, 561
— operations in Egypt, details, 742
— Racing in the U.S.A. (illus. article) (Pt. 1), 125; (Pt. 2), 199
— Registration Board, annual report, 75
— — — Board appointment, 182
— — — *Civil Aircraft Inspection Procedures* (revised edition) issued, 235
— — — Notice 16, issue 4 (Government surplus material), 459
— — — Notice 45 (Privately Owned Aircraft and Three-Year Period Cs. of A.), 943
— — — statement on certification of ex-military aircraft, 870
— Service Training, Ltd., Hiller 12C delivery, 243
— — — Gliding Club formed, 944
— services dislocated by Middle East crisis, 770
— traffic control problems (Leader), 599
— — —, revised procedures announced by Mr. Birch, 738
— — controllers request public Vulcan inquiry, 835
— Training Corps, cadets to camp on R.A.F. stations, 176
— Transport Advisory Council annual report, 205
— — Association of America, civil helicopter recommendations, 499
— — — — — "No-show" problem, plan devised, 594
— — — — — president comments on air traffic control, 235
— — — — — president's statement on K.L.M. traffic rights, 595
— — — — —, warning indicator committee, 102
— Transportation Institute, tenth meeting, Washington, 206
Air *versus* Rail, journey-time problems discussed, 982
Aircraft and General Finance Corp., Ltd., Formation of, 943; (photo. of managing director and chairman), 943
— collisions, House of Lords motion on, 911
— control systems (illus. article), 256
— — — (Leader), 837
— for the R.A.F., criticism (Leader), 663
— Golfing Society, final meeting, 746
— industry, Directory of firms, 405
— — workers' redundancy, 920
— interior layouts (Leader), 631
— -Marine Products (Gt. Britain) Ltd., solderless cable terminals (details and photo.), 561
— noise, resolution adopted in Munich, 739
— Owners and Pilots' Assoc., civil aircraft owners encouraged to show sabotage warning shield (photo.), 1006
— — — — — complain of U.S.A.F. pilots, 863
— Radio Corp., lightweight A.D.F. equipment, 144
— recognition by contrails (illus. report), 183
— — Society, meeting, 428
— tail units (photos.), 850
Airline-equipment (Leader), 805
— orders (Leader), 805
Airliner development costs, Minister of Transport's statement, 182
Airlines order-book, 459
— serving Melbourne operating at 200 per cent above normal, 977
— The Hungry (illus. review) (Pt. 1), 831; (Pt. 2), 937
Airmed, Ltd., lightweight headset and oxygen mask (details and photo.), 640
Airport development discussed by C.A.A. executive at Jet Age Conference, 658
Airport Visitor, The, booklet available, 235
Airports, Ltd., close down, 565
Airtech, Ltd., mobile teleprinter section and switchboard, 232
Airwork, Ltd., acquire Transair, 279
— General Trading Co., F-86 servicing and overhaul contract completed, 214
Airworthiness requirements for club aircraft (Leader), 867
Alcock, Sir John, B.B.C. television programme on, 778
Alexandria Trading Corp., Ltd., Flexwood veneer for V.I.P. aircraft, 129
All American Engineering Co., arrester gear developed for U.S. Navy, 958
Allen, P. W. and Co., Bodson periscope details, 261
Allerton, G/C. O.D., appointed C.O. No. 16 M.U., 208
Almco Supersheen Divn. of Gt. Britain, Ltd., barrel-finishing equipment, 1010
Alpine flying, Lecture and films on, 917
Alvis Leonides Majors in Bristol 173, flight trials, 775
Amateur Photographer, Christmas Presents number, 842
— — guide to enlargers and projectors, 428
— —, "Lighting and Flash Guide," 604
American Airlines electronic seat-reservation device, 337
— — freight figure record for August, 596
— aviation market invaded by British industry, U.S. comments, 265
— National Air Show (photos.), 518; (illus. report), 554
— — — —, engine-change competition, 277
— — — —, helicopter endurance record claimed, 475
— — , speed record claimed, 475
Anderston Clyde Engineers, Ltd., maintenance platforms, 232
Angus, George and Co., Ltd., new plant opened, 798
Antarctic landing strip at McMurdo Sound, 776
Antarctica and Aviation (illus. article), 873

Antonov An-2 (details and photos.), 97
— military transport (photo.), 75
Anzani, Alessandro, Death of, 139
Applications of Instrumentation and Automatic Control (F.B.I. publication), 914
Aquila Airways London-Maderia Solent service, fare reduced, 265
— — Solent accident in Italy, 597
— — — at Southampton (photo.), 279
Arab Airways, British pilots to be replaced, 835
— —, services resumed except to Cairo, 912
Argentina, possible purchase of British aircraft, 952
Arica Airport, new landing strip opened, 628
Arkell, B. (author), 781
Armstrong Siddeley Motors, Ltd., test pilot appointed (details and photo.), 507
— — Sapphire 7 (illus. desc. and cut-away drg.), 756
— — Screamer (illus. desc. and cut-away drg.), 160
— — — (details and photo.), 76
— — Flying Club, activities, 828
— — — dinner and dance, 977
— — —, flying hours and 1956-57 committee members, 619
— Whitworth Aircraft, Ltd., chief engineer appointed (details and photo.), 139
— — Freighter/Coach, *American Aviation* report, 609
— — — announced, 336; design team announced, 694
— — —, details, 594, 600
— — —, head of London route study staff (photo.), 912
— — — (Leader), 567
— — Sea Hawk, West German Government order, 240
— — — FGA.6 (photo.), 552
— — turbojet transport projects, Report of, 71
Army helicopters land on island near Port Said, 810
Arthur, W/C. C. E. F., at Fair Oaks Aero Club (photo.), 236
Association of British Aero Clubs, record total of 100 member-clubs, 842
— — — Summer convention, 337
— — — —, Tiger Club meeting, 501
Associazione Volovelistica Milanese Gheppio sailplane (photos.), 619
Aston, B. G., appointed Vickers-Armstrongs test pilot (details and photo.), 868
Astronautics discussed on B.B.C., 920
—, Paris conference, 998
Atlas Air Services-Air Charter, freight service inaugurated, 132
Atom bomb dropped by Valiant at Maralinga, 632; (photos. of explosion and R.A.F. Task Force), 689
Atomic Energy Courses for Management, 842
— -powered aircraft, Russia building, 110
— tests in Australia, details, 274
Auriol, Jacqueline, Harmon Trophy award, 211; presentation, 698
Auster Agricola (3-view g.a. drg.), 753
— — (air-to-air photo.), 139
— —, C. of A. granted, 3
— —, Handling the (illus. article), 646; (photos.), 687
— — in New Zealand (photo.), 920
— —, second machine test-flown, 243
— — top-dressing trials in New Zealand, 775
— J.4 and Triumph T.R.3 fuel contest, 424; (photo. of car, aircraft, drivers and pilot), 507; T.R.3 wins, 536; pilot's story (illus.), 579
Australian Air Force Assoc. annual conference, 635
— — transport, Review of, 314
— aircraft industry, Review of, 317
— — —, warning issued, 635
— antarctic discoveries, 776
— Army and Navy co-operation in life-saving exercises (photo.), 462
— Department of Air, Secretary appointed, 596
— — — Aircraft Production Jindivik (photos.), 644
— — — Civil Aviation, rear-facing seats in aircraft order, 596
— heliport under construction, 596
— Minister for Air appointed, 668
— — — Shipping and Transport to supervise civil aviation, 668
Australian National Airways, heliport under construction at Queenstown, 596
— — — Sycamore in Tasmania (illus. report), 165
— — — technical director, overseas, appointed, 102
— titanium mining, 78
— Women Pilots' Assoc. annual meeting, 530
Austrian airline proposals, 659
Autair, Ltd., Greenland helicopter work, 2
— —, S-51 operations in Greenland (details and photos.), 960
Autocar, The, Le Mans 24-hr race reports, 145
— —, Motor Show special issues, 604
— —, Road Tests of 1956 Cars available, 636
— —, "Show Review" number, 668
Automobile Assoc., Auster Alpine delivered to (details and photo.), 182
— —, painted roadside figure signs for pilots, 698
Avensa, interest in Caravelle, 235
Avia L-60 Brigadyr in production, 510
Aviacion y Comercio, Heron order, 861
Aviamilano Falco F.8L (illus. desc.), 749
Avianca, 37th birthday, 943
Aviation fuel restrictions for private owner and club use, 944
Aviation Medicine, European congress, 565, 746
— Traders, Ltd., Prentice conversions (details and photos.), 113
— — Accountant (illus. desc.), 36
Avica Equipment, Ltd., flexible-pipe assemblies manual available, 534
Aviolanda AT-21 progress, 243
Avro Aircraft, Ltd., P. R. Payne joins, 99
— — —, president and general manager appointed, 232
— — CF-100 contrails (photo.), 502
— — — in N.A.T.O. camouflage (photo.), 598
— — — with Mighty Mouse firing (photo.), 665
— Canada, Ltd., shares offered, 569
—, Ltd., Coastal Command A.O.C.-in-C. visits (photo.), 240
— —, public relations officer appointed (photo.), 810
— —, strike negotiations, 668
— —, test pilots appointed (photos.), 798
— Lancaster at war (illus. article), 675
— — leaves the R.A.F. (illus. article), 674
— — still flying, 668
— Lancasters to leave R.A.F., 629
— Shackleon accident in Derbyshire, 916
— — M.R.2 with extended "sting" tail (details and photo.), 783
— Vulcan accident at L.A.P., 568; H.o.C. statement, 694; public inquiry requested, 835
— — Australia flight, 103; (details and photo. of crew), 466
— — with boundary-layer energizers, 219
— — nose radome (photo.), 1010
— — over sea (photo.), 215
— — B.1s delivered to R.A.F. Waddington for crew-training, 272
— York accident report, 101
— 707A (photo.), 83
— Gliding Club, Ford V8 tow-car acquired, 115

B

B.B.C. astronautics discussions, 920
B.E.A.—*see* British European Airways
